Prestart info

On arrival

When parking at competition centre, follow directions!

Registration

1. Make the payment of entry fee, if it isn't done already. Prepare exact amount if possible.
2. If there are changes in team composition, which are not registered (SI-Card numbers, misspelling in names, etc.), announce them to registrars.
3. Team receives hand-outs (number bibs, etc.).
4. Maps will be handed out at the same place where registration take place at scheduled time.
5. Make sure the info on the competitor numbers is correct. **Most important is the competitor number in the team and SI-Card number.** Competitor with particular competitor number in the team must use SI-Card with number written on the bib.
6. **SI-Card will be attached to competitor's wrist by registrars.** This must be done between registration and mass start. Competitor visits registration with prepared SI-Card which has elastic band detached and plastic band attached. Registrar attaches SI-Card to competitor's wrist. **Clear and check will be done at start gate. Don't start before your SI-Cards are cleared and checked.**

Start

Mass start will take place from start area. Teams enter start area after clearing and checking their SI-Cards at start gate.

Teams, which are late to the mass start, begin competition after clearing and checking their SI-Cards at registration place (~5 min after mass start). Finish deadline for teams, which are late at start, are the same as for all other. **Don't miss start!**

Punching procedure is described in Bulletin 3. At the control punches only one team member which team number corresponds the number given on the control station. If any control station is damaged, inoperable or stolen, team must tear one piece with control code from scrap, which could be found at the control place.

If you see water shortage at the water point, we will be grateful, if you send some message to the competition centre.

If the team faces serious problems on the course, make the call to the competition centre and we will manage some solution. It may be the necessity of transportation or any other.

Finish

Finish station is located closely to competition centre and will be in place already before start. **Every team member must punch at the finish station, the finish time of the team is the time of the latest team punch.** Every team member reads the SI-Card at read station and collects the printout. Team may also ask for printout of complete team's score list.

If any team member draws out, team follow the rogain rules.

If any SI-Card is lost, score from other SI-Cards will be scored anyway.

If rent SI-Card is lost, team must pay the fee as defined in Bulletin 3.
